[Engage the message throughout the week]

Monday: 12.06.2010

Passage: John 3:16

The only hope we have in this world is found in Jesus. God became man. Emmanuel. This was needed so that man could feel the love of God and see our faith in action. EVERYONE must call on Jesus to find eternal life. Have you? Have those you love?

Passage: Isaiah 9:2

Have you ever been in the dark so long that the light physically hurts your eyes? As Isaiah writes these words, he mentions that when Messiah comes, we will have been walking in great darkness and then suddenly seen a great light. Does the light scare you? Is it painful? How is the light of God working in your life today?

Passage: Isaiah 9:6-7

Isaiah is speaking of a national leader and then he throws in the midst of that thought, that a "child is born." I can understand how Israel would be confused with their anticipation of the arrival and nature of Messiah. But the only government on Jesus' shoulders would be the death sentence the government laid on his shoulders as he marched to calvary.

Christmas Carol: O Holy Night

The phrase is striking: "A thrill of hope the weary world rejoices, for yonder breaks a new and glorious morn." Hope can be thrilling. When we anticipate something like hope, it's all we can become consumed by the thought of it. Does the arrival of Jesus (Messiah - your Savior) thrill you? Excite you? Warm your heart?

Friday: 12.10.2010

Passage: Romans 15:13

God desires to fill you with His presence. He also desires to let that presence overflow into the lives of those around you. The word picture is that it should spill out and get others wet. Have you ever spilt your glass at the dinner table and watched everyone scramble? That's overflow. May God over-fill you today so that you spill on someone else!

Pray for: *Families: Keeler & King*
