

# THIS CHANGES *Everything*

December 10, 2017 | Terry Bate | @theb8journey | #FCCchangeseverything

How can “advent” look back and point forward?

What became an immediate **consequence** to the sin of mankind?

*Notice how God responded to the nakedness of Adam & Eve in Genesis 3:21 ...*

How did the people of God **anticipate** the arrival of the Messiah?

*Consider how Abraham embraced sacrifice in Genesis chapter 22 ...*

With \_\_\_\_\_ expectation \_\_\_\_\_  
changed everything!

**Consider this for personal reflection this week ...**

> Take some time to read Genesis 22 and reflect on God’s command to sacrifice Isaac. What stands out to you?

> How do you identify with “sacrifice” in your life and in your family?

Miss Something? That’s okay!!
