

Groundbreaking CELEBRATION

Sunday, May 7 | 12PM
at Flushing Community Church

Celebrate with us!!

We are so excited to have reached our financial goal of being 50% funded for our new building expansion project! While we will still be a couple weeks away from our final approval, we want to celebrate the beginning of the construction phase with a special **Groundbreaking Celebration!**

The day will include:

- Photo opportunities for everyone to shovel some dirt and share the excitement!
- Potluck style lunch for everyone to enjoy!
- Important parent meeting to reveal some key elements of our children & youth ministries!

:: Potluck Details ::

Main dish, drinks, & tableware provided by the church
(main dish will be fried chicken)

Please bring the following to “pitch in” to the meal:
Last Names **A-G** bring a dessert to share
Last Names **H-M** bring any type of salad to share
Last Names **N-Z** bring a fruit or vegetable to share

** please make portions equivalent to a large family gathering to ensure there will be enough food for everyone! Thanks!!
{See Carol Coe if you'd like to assist with the luncheon}*
