## The Flushing Community Church Story

In the summer of 1996, God began to move in the hearts of a handful of people to start a creative new church in Flushing. In January of 1997, Pastor Darrel Harvey and his family moved from Cincinnati to the

Flushing area and began to describe a vision that God had given them about this new and exciting ministry.

By September 1998, eight families had responded to God's call to form the core of Flushing Community Church of the Nazarene. The church was officially launched on March 28, 1999 initially meeting at the Crouse Instructional Center. As we experienced consistent growth, it was necessary to relocate to the Flushing Performing Arts Center in 2000 and the Flushing Junior High School in 2001.

With great excitement, we moved into our current worship facility on October 5, 2003. This 12,000 sq. ft. facility was built with the dream of being a place where our community and church would gather for various purposes. It has been used for sport and recreation, funerals and weddings, and weekly worship.

Flushing Community Church has experienced some wonderful days over our first 11 years of existence. We've also experienced some great struggles and deep trials. Through it all, we've seen God's loving arms reaching down to us offering hope and purpose.

The next page of our story is still being written. Will you join us to see what God has in store for our journey?

We hope that you will. Feel free to contact any member of our staff with questions you have about FCC and be sure to explore how you can be involved!

Sunday, August 15, 2010

*We are glad you are here!*

**Today at Flushing Community Church:**

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us on this Sunday morning! You find yourself in a safe place today to engage your faith and your questions.

This morning we will be thinking about our appetites. Sure, you might be hungry sitting in the church today ... but just think about it ... what if you didn't eat today ... how much more would your appetite grow by this time tomorrow? How about spiritual appetites? If we don't feed our spiritual soul, what happens to that hunger? Let's look at this biological process in our body to understand how God speaks to us.

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

**Where Do I Go From Here?**

Have you responded to God's grace today? Are you interested in learning more about God and His amazing love for you? We would be honored to share some information with you and help you discover this love. Please give the pastoral staff a call [732-0282] or send them an email [located on back] to set up a time to talk more or just to ask questions! We are here for you!

**Who We Are:**

Flushing Community Church is a Church of the Nazarene. Our focus in ministry is to all people from all walks of life in Flushing and its surrounding communities, yet we also exist to proclaim the Gospel of Jesus around the world through world missions and the Church of the Nazarene. If you would like to know more about the Church of the Nazarene, check out our denominational website at [www.nazarene.org](http://www.nazarene.org).

**What We Do:**

Our mission in starting Flushing Community Church in March of 1999 was, and continues to be, "Sharing Christ and Equipping People in Creative, Contemporary, Credible and Caring Ways." We see a clear picture of what the church should look like in scripture (Acts chapter 2) ... "They committed themselves to the teaching of the apostles, the life together, the common meal, and the prayers. Everyone around was in awe ... and all the believers lived in a wonderful harmony, holding everything in common." That continues to be our goal as we share life together.

**Financial Contributions:**

Our church is a non-profit organization that is funded 100% through the gifts freely given by its people. We believe that God's Word challenges all those in the faith to give 10% (also known as a "tithe") of their income back to the church to be used for ministry locally and globally. While 10% is a challenge for many of us, we encourage everyone who attends FCCN regularly to participate in supporting the church. You may place any financial gifts in the wooden stands near the entrance of the worship facility. Online contributions can be done through your personal banking institution. Instructions on this method is at the Welcome Table. Thank you for your faithful giving and support of our church.
