

# what's your story?

As we develop our Sunday morning experiences for the Life Apps teaching series, we are looking for meaningful personal stories that will encourage others to apply God's Truth to their life.

Has God challenged you, encouraged you, changed you or revealed wonderful things to you through your experience of grace, challenged by confession, running toward freedom, establishing priorities, embracing Sabbath rest or even in worship?

Maybe you are in the middle or beginning of such a story in your life. We'd like to hear from you ... are you waiting and needing patience? Are you stressed because you are living boldly for Christ? Has God been faithful to you in the past? Are you trusting His faithfulness in your future?

### Please share with us:

My name is: \_\_\_\_\_

My story is about \_\_\_\_\_

\_\_\_\_\_

Briefly, it goes like this ... \_\_\_\_\_

# Looking for additional Life Apps ...

Monday, January 30, 2012 :: **The Word App**

**Read:** James 1:19-27

**Think about this ...** James, the brother of Jesus, was pretty confident in his understanding that doers are much more aligned with the desire of God than those who listen to Him but do nothing in response. The Word App can help you focus on the Holy Scriptures and apply them to your life.

**Download:** LifeChurch.TV (YouVersion) - Free; Our Daily Bread (daily devotionals) - \$.99

Tuesday, January 31, 2012 :: **The DstressR App**

**Read:** Matthew 6:19-34

**Think about this ...** The pressures of daily life have never been higher for many of us. Kids, work, finances, meals, love and sports have stressed many people out. What does Jesus say we should do with the pressures of tomorrow? How about today?

**Download:** RunKeeper (and go for a walk or run)

Wednesday, February 1, 2012 :: **The Light App**

**Read:** John 8:12-30

**Think about this ...** In this passage Jesus makes His claim as the "Light of the World." The world has had a hard time believing Him ever since. The Light App could possibly bring to light every instance in your life when God's existence and love for you can be easily seen or detected.

**Download:** Free Lighter (run the app and gaze into the flame - be thankful for the true Light)

Thursday, February 2, 2012 :: **The Faith App**

**Read:** Hebrews 11

**Think about this ...** This hero of the faith chapter reminds us of many things as believers. God uses normal everyday people to accomplish incredible feats. It also reminds us that though we look at such men and women as hero's, they rarely even experienced in this life the promise God had for them. This fact did not stop them from pursuing the Truth discovered through God's Word.

**Download:** Test Your Faith—Lite (have some fun with the test of your faith and knowledge)

Friday, February 3, 2012 :: **The Courage App**

**Read:** Joshua 1

**Think about this ...** As our Upward Basketball and Cheer teams are learning about courage, it seems fitting to download a dose of it for us this weekend. If you are to apply the Word of God in your life like an android app, you will need courage to make it really happen. Can you be strong at work, can you face difficult times with Jesus, can you be strong and brave?

**Download:** Nothing ... just do what you know to be true!!
