

AT THE MOVIES

The image features a large, illuminated sign in a movie theater. The sign is rectangular with a light beige background. At the top, the words "AT THE" are written in a red, serif font. Below this, the word "MOVIES" is written in large, bold, capital letters, each filled with numerous small, glowing yellow lights. In the center of the sign, there is a cluster of movie-related icons: a silver film reel, a red and white striped popcorn bucket overflowing with golden popcorn, and a silver film strip. Several yellow stars are scattered around the top of the sign, with white rays emanating from behind them. The sign is mounted on a dark wall, and the foreground shows rows of red theater seats.

We now have this light shining in our hearts, but we ourselves are like fragile clay jars containing this great treasure. This makes it clear that our great power is from God, not from ourselves.

We are pressed on every side by troubles, but we are not crushed. We are perplexed, but not driven to despair. We are hunted down, but never abandoned by God.

That is why we never give up. Though our bodies are dying, our spirits are being renewed every day. For our present troubles are small and won't last very long. Yet they produce for us a glory that vastly outweighs them and
