In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our original facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at $1.3M and currently over $1,172,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center! What kind of legacy will you leave for others?

July 1, 2018

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us! You find yourself in a safe place today to ask your questions and engage your faith.

Who doesn't enjoy a great movie? Every show has a message beyond the script and dialogue. Many times, powerful and eternal truths can emerge in the character's struggles and victories! Our current sermon series is based on 7 different movies that have a powerful message to tell. Our preaching team will be showing various clips each Sunday that express the theme and message that points us toward practical truth for today!

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!

Kid City Children's Ministries:

July's Life App: Confidence
"Living like you believe what God says is true."

Kid City this Week … In July, we continue our discovery of confidence with an incredible example found in Daniel 3. Shadrach, Meshach, and Abednego found their faith put to the test when they chose to obey God rather than bow down to the golden statue. They remained confident in God's power, and God rescued them from the fiery furnace. *Bottom Line: Trust that God is always with you.*

July Memory Verse … "Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." *Philippians 1:6 NIV*
