Back to the Future

If you could travel through time, where would you go?

Have you ever felt trapped in your past?

What is a crazy thing you have done to escape the past?

Consider what scripture says about our past in 1 John 2:1-2 & 1 John 4:9-10 ...

To _____ our _____,
God put together a crazy plan,
fueled by the _____ of _____.

Consider this for personal reflection this week ...

- > What are you holding onto from the past?
- > Are you feeling overwhelmed by guilt or shame?
- > Are you ready to leave the scars of the past at the cross?

Miss Something? That's okay!!
