## What will this gathering be like?

The first 3 classes will include some brief and helpful instruction on art technique by our instructor (who has a degree in art!) and then we will spend time reading and contemplating several passages of scripture. Our sketch pads will become filled with Godly inspired pieces of art. Then our final classes will focus on one piece we've sketched, and create a more developed final piece of art.

This is an example of what art can look like when it's inspired by scripture! This piece was done by Mike and was inspired by Psalm 1 ... being rooted in the law of God!

# DAVID

June 3, 2012 | Pastor Joel Heald

**"...but you have not been like my servant David, who kept my commands and followed me with all his heart, doing only what was right in my eyes."**

1 Kings 13:8 (NIV)

Who in your life is an example of living a life of worship?

Have you ever done something with reckless-abandonment?

⇒ What would it look like for you to worship God in your daily life with reckless-abandonment?

At what altar are you making sacrifices? What are you worshipping?

What will it cost you to be a whole-hearted worshipper?

Miss Something? That's okay!!

# Digging Deeper

[Engaging the message throughout the week]

## Monday: 06.04.2012

**Prayer Focus:** The Flushing Community

**Passage:** Genesis 1-2

**Insight:** This account of creation has been the source of great debate and deep division between scientists and people of faith for thousands of years. The important thing to grasp here is not in the details, but in the God who spoke the details. The God who can do anything chose to create the universe!

## Tuesday: 06.05.2012

**Prayer Focus:** FCC Church Leadership

**Passage:** Genesis 3-4

**Insight:** The fall of mankind is a sad story because we were living in a perfect world—untainted by the disobedience of those living in it. In this account, we see the motives and by-products of sin and it's not pretty: desire, jealousy, blame, shame, pain (repeat).

## Wednesday: 06.06.2012

**Prayer Focus:** Summer Youth Mission Trip

**Passage:** Genesis 6-9

**Insight:** The situation on Earth quickly deteriorated into a desperate situation. God's creation was on a collision course because of it's evil ways so God decides to hit reset. In the flood we see God's anger over sin but also his powerful provision in the midst of the storm.

## Thursday: 06.07.2012

**Prayer Focus:** The sick and recovering (iPray)

**Passage:** Genesis 21-22

**Insight:** God promised Abraham a great number of descendants but his wife was still barren—even at the age of 90. Wouldn't you lose hope of that promise being fulfilled? God came through with the birth of Isaac and then asked for him back as a sacrifice. Out of this request, we see another way God provides.

## Friday: 06.08.2012

**Prayer Focus:** Our church worship services (6/10)

**Passage:** Job 38-42

**Insight:** The story of Job is a sad tale of having it all and losing it all. Job knows he has done nothing to deserve such devastation and he demands God explain himself. Finally, God speaks and what He shares is a glimpse into his authority over the earth.
