In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our original facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.3M and currently over \$1,172,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center! What kind of legacy will you leave for others?

August 19, 2018

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us! You find yourself in a safe place today to ask your questions and engage your faith.

Reading the Bible can be confusing at times if we don't slow down and recognize what was taking place behind the scenes. This is certainly true in the letters that were written in the New Testament to various churches and leaders. Over the next few weeks, we are going to look at the first letter that the Apostle Paul wrote to Timothy and consider the ways he was encouraging his young disciple to engage with the church in Ephesus. What can we learn from these ancient instructions?

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!

Kid City Children's Ministries:

August's Life App: Wisdom

"Finding out what you should do and doing it."

Kid City this Sunday ... There's an important story about confidence found in Matthew 14:22-33. Peter and the rest of the disciples were out on the Sea of Galilee when they noticed a figure walking on the surface of the water. When they finally realized that it was Jesus, Peter called out and to Him to invite him and took a stroll on top of the waves. However, only when Peter was focused on Jesus was he able to stay above the water.
Bottom Line: If you want to be wise, hand out with wise people.

August Memory Verse ... "If any of you lacks wisdom, you should ask God for it . . . and it will be given to you." James 1:5a NIV

Crowded House ... The Burbas will host a Crowded House Parent Meeting at their house today, August 19 right after morning worship. This is for all parents of 5th and 6th graders. See Kari Burba for details.
