

1 Timothy chapter 5: Care for Others

What was the purpose that Paul wrote this letter to Timothy?
How can we apply it to our lives today?

How are we to look upon and treat those around us?

How are we to consider the plight of the most vulnerable members of our society?

Consider this for personal reflection this week ...

- > How can you increase your awareness of others around you?
- > How can loving and serving others increase your faith and deepen your personal walk with Christ?
