In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.3M and currently over \$1,172,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center! What kind of legacy will you leave for others?

January 21, 2018

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us! You find yourself in a safe place today to ask your questions and engage your faith.

Many of us begin each new year making goals and dreaming of getting healthier and holier. Our Spiritual Life Team has been designing a plan that will help each of us balance our spiritual growth and understand the various ways we need to connect with God better. Over the next several weeks, we will be looking at some important ways our personal lives must interact with God to produce a stronger and more balanced faith!

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!

Kid City & Club 56 Ministries:

January's Life App: Commitment
"Making a plan and putting it into practice."

Kid City this Week ... In Matthew 16:13-20, Jesus asks His disciples about who people think He is. Then, Jesus turns the question on them. After everything they'd seen Jesus do and heard Jesus say, who did they think He was? This gave Peter the perfect moment for him to declare what he believed about Jesus—that Jesus truly is the Son of God. *Bottom Line: Practice talking about God.*

January Memory Verse ... "Training the body has some value. But being godly has value in every way. It promises help for the life you are now living and life to come." *1 Timothy 4:8*

Crowded House... Next Crowded House (Club 56 kids and their parents) gathering will be held on Saturday, February 10, at 6:30PM.

• Pardon Our Dust •

Our building expansion project is coming along very nicely but it has obviously now impacted our current children's ministry space. Our future is bright - but our current circumstances will cause some inconveniences (like parking, Kid City, kitchen use, and Club 56). Thanks for your patience during the next few months!
