*“And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to **equip the saints** for the work of ministry, for building up the body of Christ ...”*  
Ephesians 4:11-12 ESV

What labels to you use to identify others?

What labels are stuck on you personally?

Your \_\_\_\_\_ is \_\_\_\_\_!

What does scripture say about my identity?

My \_\_\_\_\_ doesn't matter;  
only my \_\_\_\_\_ does!

Consider this for personal reflection this week ...

- > What harmful labels have you used on others or yourself?
- > How can you change those labels to better reflect God's identity in your life?

Miss Something? That's okay!!
