Grand Opening Celebration
Easter Sunday April 1 • 9AM & 11AM

In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.3M and currently over \$1,172,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center! What kind of legacy will you leave for others?

March 4, 2018

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us! You find yourself in a safe place today to ask your questions and engage your faith.

Lent is a holy season of preparation for the sacrifice of Jesus. Over the next few weeks, we will be considering the writings of AW Tozer in the book, "From the Grave." These writings help us focus our attention each day toward the disciplines of following the ways of Christ. Our daily preparation will guide and shape our weekly conversations and ultimately provide an exciting celebration on Easter Sunday!

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!

Our building expansion project is coming along very nicely but it has obviously now impacted our current children's ministry space. Our future is bright - but our current circumstances will cause some inconveniences (like parking, Kid City, kitchen use, and Club 56). Thanks for your patience during the next few months! You can view updated pictures on our website each week.
