

The Family project™

**A seven-week
whole family experience
for adults, students, and children,
so you can grow as a family
with your family.**

Join us this fall for Boost as we discover God's design for the family. Our time together will include activities and conversations to help your family reconnect while also connecting with others. We'll explore how family is a reflection of God's image through Focus on the Family's *The Family Project*, tailored to engage each age group (adults, teens, and kids) individually. There will also be fun exercises to take home to help keep you connected throughout the week.

This session is for everyone!

**Sign up at the
Welcome Center today!**

Boost Wednesdays
Oct 4-Nov 15
6:30-8:00pm

**PLUS, DINNER PROVIDED
EACH NIGHT STARTING AT 6:00!**
