

# GAME PLAN

October 8, 2017 | Terry Bate | @theb8journey | #FCCgameplan

**O Lord my God, I cried to you for help,  
and you restored my health.**

Psalm 30:2 NLT

>> Does your belief about prayer differ from your actual prayers?  
*How does faith play a role in this?*

What kind of power is there in prayer?  
*Read James 5:13-18 to learn about this:*

## Elements of a solid game plan ...

- > Define the win :
  - > Understand the opponent :
  - > Maximize strengths; minimize weaknesses :
  - > Expect setbacks :
  - > Listen to your coach :
- {Psalm 103:1-5; Matthew 9; Mark 5:25-34; Revelation 21:4}

**The goal of prayer is not to move God;  
it's to move \_\_\_\_\_ God.**

>> How can our lives best reflect the character of God?

## Consider these questions for personal reflection this week ...

- > Am I leaning on the power of prayer - or something else?
- > What steps can I take to create a deeper dependence on God to meet my needs and bring healing in my life?

Miss Something? That's okay!!
