

# THE GREATEST OF ALL TIME

Sunday, September 13, 2015 | Pastor Terry Bate | @theb8journey

“And you must love the Lord your God with all your HEART,  
all your SOUL, all your MIND, and all your STRENGTH.”

Mark 12:30 NLT

What is the context in which Jesus is asked  
about the greatest commandment?

What does it mean to love God with all our HEART?

### Consider these questions for reflection ...

- > How would you rate your heart's ability to love?
- > What percentage of your heart is dedicated to loving God? Your family? Others? Things?
- > Do I need to offer God more of my heart? What changes would take place in my life if I increased my love for Him?

Miss Something? That's okay!!

## Crosses on our Worship Panels

*The crosses displayed on our worship panels this morning were inspired through several ancient contexts. They are described below from left to right as you see them on the stage.*

**Cross Barbe'e-** A cross with designs like arrows on its tips. The arrows represent barbs found on fish hooks. The cross symbolizes being fishers of men. It also reminds us that Jesus' death repairs both our relationship with God (vertical) and our fellow man (horizontal).

**Paternoster Cross-** A cross, made up of attached circles or beads is symbolic call to prayer.

**Anchor or Hope Cross-** One of the oldest Christian symbols, this cross represents Christ's ability to hold our lives steady through the storms of life. This was used as a clandestine marker for Christian graves in the catacombs of Rome.

**Celtic Cross-** An ancient form originating from the British Isles, the circle represents eternity.

**Cross and Crown of Thorns-** A cross with a crown of thorns resting upon it symbolizes the suffering (passion) of our Lord on the cross. This cross is frequently used during the Lenten season.

**Graded Cross-** A cross standing on three graduated platforms, the platforms represent faith, hope and love and the greatest of these, the largest platform, is love.

**Chain Cross-** Made of any number of chain links, this cross reminds us of the power of Jesus to break the chains of sin.

**Triparted Cross-** A cross, made up of three lines interwoven in the center. The lines represent God the Father, God the Son and God the Holy Spirit. They are woven together to indicate the Trinity's joint participation in the plan of salvation.
