

All Church Celebration & Luncheon Sunday, September 18 12pm

We want to welcome the Supple Family to Flushing Community Church next Sunday! We will be praying for them and getting to know them during our worship service and taking the opportunity to eat together following the service! You can make this day a special one for the Supple's by being present and bringing a greeting card filled with words of welcome and a gift card {ideas include: groceries, Home Depot, Lowes, your favorite restaurant, etc}. Their new house will need some painting and deck cleaning. If you are interested in helping with this, sign up at the Welcome Center or see Pastor Terry.

:: Luncheon Details ::

Main Dish, drinks and tableware (including serving spoons) will be provided for everyone by the church.

Families can pitch in by providing the following:

- [A-G]** Bring a dessert or sweet treat
- [H-N]** Bring a large salad or side dish
- [O-Z]** Bring a vegetable or fruit

** please make portions equivalent to a large family gathering to ensure there will be enough food for everyone. Thanks!!*
