In January of 1997, Pastor Darrel Harvey and his family moved from Cincinnati to the Flushing area to begin a new church. Soon, several families had responded to God's call to join in this new ministry.

The church was officially launched on March 28, 1999 initially meeting at the Crouse Instructional Center. Through the years we've met in various places but always had the same drive to be a relevant voice of God's love to the community of Flushing.

In the fall of 2003 we moved into our original multi-functional facility here on Pierson Road and have experienced many blessings while worshipping together and serving our community. In 2009, Pastor Terry Bate became our Lead Pastor and God has continued in His faithful work among us as we do our best to honor Him. In the spring of 2018 we completed our additional gathering and educational facility.

By God's grace, the next exciting page of our story is still being written. Will you join us to see what God has in store for our journey together? We really hope that you will! Feel free to contact any member of our staff with questions you have about FCC and be sure to explore how you can be involved.
