In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our “Building A Legacy” missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God’s Word, and furthering our burden and care for others. Out of these objectives, we feel it’s critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.2M and with our current debt, we hoped to raise \$1.65M. Currently, over \$1,130,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click “Legacy.” To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center this morning! What kind of legacy will you leave for others?

July 17, 2016

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us on this Sunday morning! You find yourself in a safe place today to engage your faith and your questions. There is a phrase in the Lord's prayer that has always confused many of us ... "Thy Kingdom Come." It appears to be calling for God's Kingdom to appear on Earth as it exists in Heaven. Many have thought this would refer to the "end times" and that God would bring final judgement. But what if it means more about how we are to live in the here and now? What if it is inviting God to do something new in us today? What if there's more? Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!
