Part 3: Miriam

What are some of the reasons we run from God?

What are some highlights of the Jewish traditions of Miriam?

"Running _____ God will cause us to stand up for what is _____!"

How did Miriam stand strong against authorities in her lifetime?

How can Miriam's life impact our own resolve to represent the ways of God?

Consider this for personal reflection this week ...

> Has God ever asked you to stand up for others? For righteousness?

> How can you be sure you are standing up for God's purposes and not your own?

Miss Something? That's okay!!
