The Ripple Effect: Building a Life of Influence

This is a 7-week study considering several key leaders in scripture. Throughout history there have been individuals who have had a great influence in the world. However, there is an influence that transcends the boundaries of worldly achievement. In truth, it is an influence that redefines life forever. The individuals' lives explored in "Ripple Effect: Building a Life of Influence" will lead you to consider what influence God could have through your life if you are willing to allow him to live in you.

9:30AM - taught by Eric Smith
11:00AM - taught by Mark & Julie Taylor

In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our original facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. In March of 2018, we moved into our newly expanded and renovated facility! Cost for these facility improvements were \$1,378,000. Updates on our financial pledges can be seen below.

To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center! It's never too late to join our mission and no gift is too small! Working together, we are building a legacy that impact eternity! What kind of legacy will you leave?

January 13, 2019

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us! You find yourself in a safe place today to ask your questions and engage your faith.

A new year is upon us and many of us have created new goals for being healthier and happier. Most of us have already given up on those goals! The reality is that we are too busy, too stressed, too strapped, and too overwhelmed to succeed with our goals. We have wonderful dreams but not enough margin in our life to make them become a reality. How can we shape our lives around a healthy perspective and discover real life?

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!

For all children birth to 6th grade

Kid City This Week ... As we continue our journey through Judges, we stop at chapter 16 where we will learn about Samson's choices and consequences. Temptation always comes to us at our weakest points and desires to pull us away from the commitments we have made. We learn that it's never too late to run back to God. He loves us, seeks relationship with us, and forgives us.

Memory Verse ... "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight." - Proverbs 3:5-6

Boost for Kids ... As we begin another fantastic session of Boost on Wednesday evenings, we are preparing a very practical lesson for our children considering the essentials of our faith. Pastor Terry will be joining Pastor Kelli in presenting this material to our kids in a fun and interactive way! The whole family is invited to join us Wednesday evenings beginning January 16. Dinner is at 6PM and we are finished by 8PM!
