

ESSENTIAL BELIEFS

What are the essentials of the Christian faith? What we believe matters, but how intentional are we about defining those beliefs? Do we stand confidently on our beliefs as we engage others? What is the basis for believing what we do?

Whether you're simply curious about Christianity, new to the faith, or have been following Jesus for years, this is an important opportunity to dig in and discover

what we believe

why we believe it

how it shapes our lives
