

The Gathering:†

DISCIPLESHIP FOR ADULTS, STUDENTS, AND CHILDREN
SUNDAYS AT 9:30 AM
BEGINNING SEPTEMBER 15

ADULTS | CAFE ROOM 1 **BECOMING A DISCIPLE**

What exactly does it mean to be a disciple of Jesus? Can you be a Christian and not be a follower of Christ? After this eight session study you will know what you are committing to and what is required of you when you say you want to follow Jesus.

STUDENTS (7TH-12TH) | STUDENT LOFT **ECHO THE STORY**

Echo the Story is an imaginative way for students to engage the Bible using storytelling, creative reflection, and dialogue. From creation to the formation of the church, students enter imaginatively into each story--observing, drawing, writing, and participating in group dialogue. Echo the Story helps students discover meaning and identity in the biblical narrative.

CHILDREN (K-6TH) | KID CITY **STUDIES IN GENESIS**

Through inductive Bible study and fun activities, children will immerse themselves in the ancient world, learning what life was like for Adam and Eve, Noah, Abraham, Joseph, and many others. Kids will learn about God's faithfulness and His covenants to Noah and Abraham. God's redemption is evident in Genesis, a foreshadowing of what He still does today.
