"A Loving Hope"

Biblical understanding of hope:

Hebrew > "qawa" {kaw-vaw} ...
Greek > "hupomen" {hup-o men-o} ...

How does Jesus command us to offer hope in **John 13**?

_____ flows through streams of _____

How did Jesus describe what love looks like in **Matthew 5**?

Questions to consider in reflection ...

- > Have I lost my feeling of hope for this world?
- > How can I put myself in streams of love and offer that love to others?
- > How will loving others give me a deeper sense of hope in this world?
