In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.3M and currently over \$1,172,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center! What kind of legacy will you leave for others?

OUTBREAK

Church Gone Viral
Acts of the Apostles

We are so honored & glad you are here!

June 4, 2017

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us! You find yourself in a safe place today to ask your questions and engage your faith.

Luke spent years investigating the claims of Jesus and wrote his Gospel according to what he learned. His next book was called "Acts of the Apostles" and details the beginning work of the church after Jesus ascended into Heaven and the Holy Spirit descended in the heart of man. His book details the incredible beginnings of the church which could only be characterized as an "outbreak" of proclaiming God's love!

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!
