

Once Upon a Time...

Lost & Found | Luke 15

What is the most valuable item you've lost?

How did you feel when you realized it was lost?

How extensive was your search?

Did you ever find it?

What did you do when you found it?

Three parables . . . What is the point?

What do we learn about God?

What is Jesus wanting us to learn?

Are you lost or found?

What character do you identify with the most in these three parables?

It is not the healthy who need a doctor, but the sick.

I have not come to call the righteous, but sinners to repentance.

Luke 5:31-32
