Nazarene Disaster Relief ... FCC recently sent \$1,000 to aid the relief efforts in Ecuador after their devastating earthquakes in April. If you'd like to participate, visit www.ncm.org/ecuador to learn how!

In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.2M and with our current debt, we hoped to raise \$1.65M. Currently, over \$1,130,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center this morning! What kind of legacy will you leave for others?
