Part 2: How God blesses the broken heart.

“God blesses those who mourn, for they will be comforted.”

Matthew 5:4 NLT

What types of things can we lose and grieve over?

_____ is essential to our health!

*If we don't learn to _____
we will figure out how to _____!*

“You can't get _____ it - you can only go _____ it!”

-Pastor Rick Warren

Ways that God blesses the broken hearted:

Consider this for personal reflection this week ...

- > Take some time this week to consider the things you are grieving.
- > Consider how well you are going through the process and ways you may be attempting to go around the process of grieving.
- > Is there someone in your life that needs you to help them grieve?
