COMING OCTOBER 7—2 WORSHIP SERVICES!

Why are we adding another worship time? *Have you noticed we've been growing? We are seeing nearly 40 more attendees at this point this year compared to last year. Projections will have us averaging nearly 430 by November. Our parking lot and gym can't safely hold this many people without turning some away.*

Will each service feature options for children? *Yes! We love children and teens and are working to increase our ability to teach them about God's amazing love! See our schedule below to see what will be available at each service time!!*

Will each worship service be the same? *Not exactly. Our sermon will be based on the same material and will be presented by the same pastor however our service structures will be slightly different. Our 9:30AM service will feature readings, creeds, prayers & communion more regularly. Our 11AM service will have a larger band. Both will be powerful experiences of Christian community and practical teaching that you will enjoy!*

What will our Sunday format look like?

9:30AM WORSHIP

Nursery & Toddler rooms available
Kids K-6: Bible Study based on the book of Acts
Teens 7th-12th grades: Bible Study in the Loft
The Gathering (Adult Class): Pastor Mike DeVuyst (Galatians)

10:35 to 11:00AM CONNECTIONS

The Gathering Place Café will remain open and we encourage everyone to stay or come early for this time of relationship building and discover ways to get involved at church!

11:00 AM WORSHIP
