

**How do we build a legacy in missions?**

By prayer, discernment and action. Our new Global Mission Team is partnering with our Legacy Prayer Group to help us discern what God is asking of us. How will God lead us to faithfully take His message of love and hope around the world?

Building a legacy one act at a time; bringing hope to people by helping them meet their physical, mental and spiritual needs. Let's get together and pray for what God can do through us!
