In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our "Building A Legacy" missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God's Word, and furthering our burden and care for others. Out of these objectives, we feel it's critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.2M and with our current debt, we hoped to raise \$1.65M. Currently, over \$1,130,000 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click "Legacy." To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center this morning! What kind of legacy will you leave for others?

Discovering New Perspective

We are so honored & glad you are here!

January 08, 2017

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us on this Sunday morning! You find yourself in a safe place today to engage your faith and your questions.

The new year always offers a fresh start. Many in our culture create resolutions that they want to accomplish - yet very few even come close to accomplishing them. For the follower of Christ, we too make goals for reading the Bible and praying more. For the first 40 days of 2017, we are going to take a journey together as a church to discover what reading the scripture together can be like. Join us for this perspective "shift."

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!

We invite you to join the conversation!

There is more to our worship experience than Sunday mornings! We invite you to plug into the several ways we communicate throughout the week utilizing social media and email!

Kid City & Club 56 Ministries:

January's Life App: Knowledge

"Discovering something new so you can be better at whatever you do."

Kid City This Month ... We continue our look at knowledge in Luke 2:41-52 as we head to Jerusalem when Jesus was twelve years old. When Mary and Joseph began their journey home they realized Jesus wasn't with them. So, they turned around and went all the way back to Jerusalem to find Jesus in the temple surrounded by priests and rabbis. Jesus recognized that if He wanted to be a part of God's story and know the secrets of the world around Him, He needed to be in a place where He could learn what His Father said.

Our Bottom Line ... "What God says is the most important thing to know."

Memory Verse ... "Your word is like a lamp that shows me the way. It is like a light that guides me. (Psalm 119:105 NIV). As kids memorize this verse, we hope they embrace God's wisdom and light.

Toddler - Preschool Ministry ... This class is available this morning. If you are looking for a great way to plug in at FCC, Ashley is always in need of some great helpers!

Pastor Kelli ... Our new Children's Pastor, Kelli Fulks, will begin her ministry with us on Sunday, Jan. 22. Search her out on social media and send her a greeting via email (kelli@flushingcommunity.org) today!

Welcome the Fulks ... By bringing a greeting card filled with a gift card to your favorite restaurant or business. Place them in a basket at the Welcome Center! Let's bless this family with your generous gifts and they will be presented to them on Jan. 22.
