In 2015, our Leadership began to have conversations about the future direction of our church both in terms of ministry focus and facility needs. In 2016, those conversations were revealed through our “Building A Legacy” missional campaign.

This campaign outlines three ministry objectives: reaching the entire family, effective communication of God’s Word, and furthering our burden and care for others. Out of these objectives, we feel it’s critical to develop a better leadership structure, practice systematic giving, and expand and renovate our current facility.

We are excited to see how God will continue to show his faithfulness to each of us as we participate in sacrificial giving over the three year campaign timeline. Our expansion estimate stands at \$1.2M and with our current debt, we hoped to raise \$1.65M. Currently, over \$1,142,696 has been pledged to help us achieve our ministry and facility goals.

To get an update on the progress of our campaign, visit our website and click “Legacy.” To begin your participation, you can find a Legacy booklet and pledge card at the Welcome Center this morning! What kind of legacy will you leave for others?

Discovering New Perspective

# We are so honored & glad you are here!

January 29, 2017

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us on this Sunday morning! You find yourself in a safe place today to engage your faith and your questions. The new year always offers a fresh start. Many in our culture create resolutions that they want to accomplish - yet very few even come close to accomplishing them. For the follower of Christ, we too make goals for reading the Bible and praying more. For the first 40 days of 2017, we are going to take a journey together as a church to discover what reading the scripture together can be like. Join us for this perspective "shift." Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!
