Part 3: The Little Drummer Boy

How do you connect with the story of Aaron from the movie, "The Little Drummer Boy" released in 1968?

Too often our _____ actually sabotages our _____!

What does Titus 3:3-5 tell us about our spiritual journey?

"It is not necessary that you _____.
Go to him ... look upon the new born King."

Other biblical examples of drummer boy worship ...

"God _____ in the moments we use
our _____ to offer our very best
in _____ to Him."

Consider this for personal reflection this week ...

- > Have you allowed pain from the past to dictate your future?
- > Have you brought your best before the Jesus?
- > How can you respond to His mercy this holiday season?

 Miss Something? That's okay!!
