**VANTAGE
POINT**

The message of the cross is foolish to those who are headed for destruction! But we who are being saved know it is the very power of God. As the Scriptures say, “I will destroy the wisdom of the wise and discard the intelligence of the intelligent.”

**VANTAGE
POINT**

So where does this leave the philosophers, the scholars, and the world's brilliant debaters? God has made the wisdom of this world look foolish. Since God in his wisdom saw to it that the world would never know him through human wisdom, he has used our foolish

**preaching to save those who believe.
It is foolish to the Jews, who ask for
signs from heaven. And it is foolish

**VANTAGE
POINT**

But to those called by God to salvation, both Jews and Gentiles, Christ is the power of God and the wisdom of God. This foolish plan of God is wiser than the wisest of human plans, and God's weakness is stronger than the greatest of human strength. Remember, dear brothers and sisters,

**VANTAGE
POINT**

that few of you were wise in the world's eyes or powerful or wealthy when God called you. Instead, God chose things the world considers foolish in order to shame those who think they are wise. And he chose things that are powerless to shame those who are powerful.

**VANTAGE
POINT**

God chose things despised by the world, things counted as nothing at all, and used them to bring to nothing what the world considers important. As a result, no one can ever boast in the presence of God.
