Why does God allow suffering?

February 1, 2015

**How long have we been asking that question?**

**What has been your posture when asking it?**

**What causes suffering?**

**Who do you know that is suffering?**

Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand. And we boast in the hope of the glory of God. Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.

*Romans 5:1-5 NIV*
