

WEEKLY REFLECTION & CHALLENGE SHEET

“WHAT IS GREATNESS” | November 29, 2020

ICE BREAKERS:

Who is the greatest person you would love to sit down and have lunch with?

How would you define GREATNESS:

What do you think about William Shakespeare's quote: “Some are born great, some achieve greatness, and some have greatness thrust upon 'em.”

Read & Discuss:

Mark 10:37-45

What do you think about the request that James and John make?

What do we learn about the Kingdom of God with the response that Jesus makes?

Read & Reflect:

Philippians 2:5-11

Take time to reflect and consider the path & journey of Christ coming to Earth.

Reflect: In his message today, Pastor Terry said: “*Greatness is not in what you achieve - but in how well you serve. It is not in how many you impress - but in how many you love. Greatness is not your goal in life - meekness is.”*

How do you respond to this way of approaching greatness in life?

Application: If greatness is what you desire - you can discover it in the humility, kindness & love of Christ.

This week's challenge: Consider ways you can win by losing; be first by choosing to be last; to serve instead of being served (as a family, at work, with friends).
