

## WEEKLY REFLECTION & CHALLENGE SHEET

"Humility" | February 7, 2021

### ICE BREAKERS:

Who is someone in your life that drives you crazy? Are they a follower of Christ?  
Is there someone who find it easy to respect and honor? Why is that?  
Have you ever pretended to like or respect someone? What was your motivation?

**READ:** Romans 12:1-2. How does it impact you to consider the renewal of your mind/thinking?  
What are the patterns of the world that stand in full contrast to the patterns of faithfulness?

### Consider together:

Deference: humble submission and respect.  
With whom is deference easy and/or challenging to extend to?

**READ:** John 13:1-17. How is Jesus modeling deference, submission, honor and respect in this moment?

**READ:** Colossians 3:12-13. How are we to clothe ourselves practically with:

- > Mercy
- > Humility
- >Patience
- > Kindness
- > Gentleness

Discuss practical ways we can "clothe ourselves" and "wash the feet" of:

- > our family ...
- > our co-workers ...
- > our enemies ...
- > someone we have been at odds with for some time ...

**This week's challenge:** Bless someone who isn't expecting it. Reach out to someone (call, text, visit) who doesn't deserve it. Intentionally spend time with someone you struggle to be around and pray that God helps you see them through His point of view.
