Why do you think that Jesus turned upside down the thinking of "greatness"? (Matthew 23:11-12)

DISCUSS:

"Serving is not **WHAT** you DO; Serving is **WHO** you ARE." (Craig Groeschel)
How is this above statement true?
In what ways could you argue it would not be true?

READ: 1 Corinthians 12 about Spiritual Gifts

- > What gifts do you think you may have?
- > How do you use those gifts? For yourself? For others?
- > How could you use those gifts to improve on loving your neighbor?
- > Who is someone in your life that you are struggling to serve?

This week's challenge: Spend time this week considering ways that you struggle to offer service toward others. Seek God's Word about how to improve your desire and execution of selfless serving. What are you holding on to that is getting in the way of your selfless acts?
