

WEEKLY REFLECTION & CHALLENGE SHEET

"SEEDS: Harvest" | May 16, 2021
Pastor Terry Bate

ICE BREAKERS:

Share your favorite sports team & player NOT on that team.

DISCUSS: If you were given one seed and told it had the power to end world hunger and save millions of lives, what would you do with it? Would you keep it? Would you be afraid to share it?

READ: Matthew 9:35-38

How does Jesus approach the crowds?

Honestly, how do you imagine you would approach those crowds today?

DISCUSS: Working in the harvest field for souls can often be uncomfortable and scary. How is this work the only thing that really matters in this life?

DISCUSS:

Do you ever feel like talking about Jesus is off-limits to people?

Do you ever feel like people think they have just enough Jesus?

Do you ever feel incapable of sharing Jesus with others?

READ: Matthew 28:19-20

How often does the average follower of Jesus put this commandment into action?

How often do you?

This week's challenge: *Read Matthew 13 and discover the parables that Jesus taught using seed. How do these communicate to his listeners about the eternal Kingdom of God? How do they illustrate judgement and eternal glory?*
