WEEKLY REFLECTION & CHALLENGE SHEET

"Experiencing God's Best" | June 6, 2021 | Pastor Terry Bate

ICE BREAKERS:

What is your favorite High School memory?

What is your worst High School memory?

What is a regret from your teen years?

DISCUSS: Have you ever prayed hard for something and something different - but even better - happened? How did you respond to God when that happened?

Have you ever prayed for something and something - much worse - happened? How did you respond to God in that moment?

What do you think about the differences in your responses to God?

READ: Acts 2:1-4

Putting ourself in this moment of history again this week, do you notice anything different?

If you could choose, would you rather live in the day of Jesus with Jesus - or - would you rather live in the day without Jesus but with His Spirit?

DISCUSS: What role is the Spirit to play in your life?

Look at John 16:7-8 ...

RESPOND: "As you live your life in step with the Holy Spirit, you experience challenges that create a better you." Do you agree or disagree with this statement?

This week's challenge: *Begin each meal time (breakfast, lunch, dinner) with a simple prayer: "Lord, reveal yourself to me today. Give me the wisdom to perceive your voice and the strength to follow your leading. Send your Spirit upon me with fresh wind and fresh fire."*
