HIS STORY part 10: His Final Steps

Pastor Terry Bate | @theb8journey | #FCChistory

Experience of the Upper Room:

What do you think the mood would have been as Jesus and the Disciples experienced the Passover meal together?

How different did the atmosphere feel after Jesus dipped the bread into the Charoset and spoke about being betrayed?

Do you feel that the world is sometimes out of control?

Notice the times Jesus said, "All this must take place to fulfill the scriptures." What do we notice about the tone and experience Jesus is speaking of?

Knowing that Jesus sees His future clearly, what can we conclude about how He sees our future?

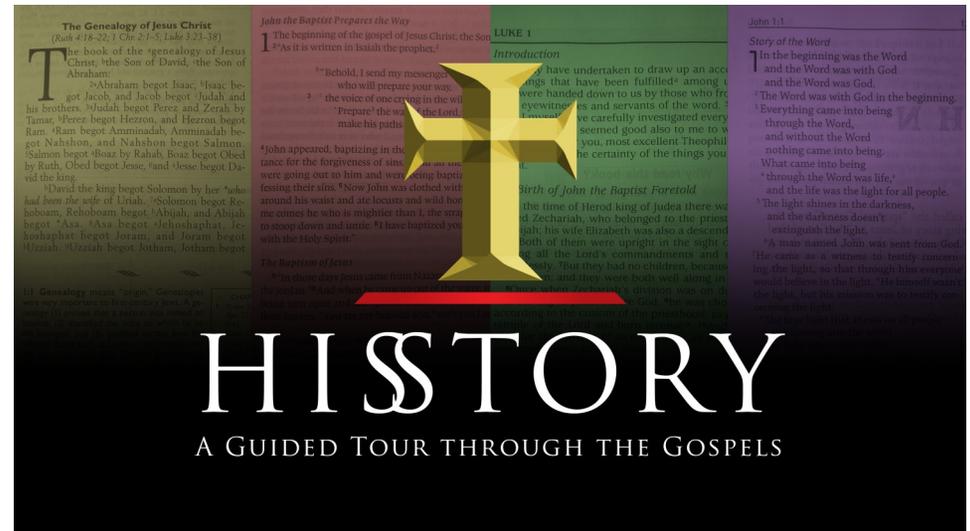

Jesus _____!

CONSIDER THIS:

- Do you believe Jesus holds your future in His hands?
- How does this impact your expectation for the future?
- How can you live with Faith in Christ knowing His command of future events?

You can re-watch our service throughout this week by visiting our website and click "watch online." You can also subscribe to our YouTube page: search for "Flushing Community Church."

The story of Jesus has been called "Good News" since the stories started to circulate after his resurrection. Gospel means "good news" and has been used to identify the books of the New Testament detailing the steps of Christ. This summer, we want to dive into "His Story" and allow the story of Jesus to speak to our hearts! #FCChistory
