**November 20, 2022**

Our mind is the front line of spiritual blessing and attack. When we struggle with our mental health, we often don't understand why nor feel safe to share that struggle with others. How should we respond for ourselves and those we love?

### Believer Baptism:

If you have decided by faith to accept the love and forgiveness of Jesus, we invite you to experience the power of baptism. See a member of our staff to learn more about the next opportunity to proclaim your new life in Jesus Christ!

### The Lord's Supper:

Often our worship expression can include the sacrament of The Lord's Supper (aka communion). This sacred experience brings us to the table of Christ and is available for all who have faith in Him.

### Take Your Next Step:

We want to invite you to take your next step on your personal journey of developing an intimate relationship with God. Our walk with God is always stronger as we walk with each other! Visit The HUB or reach out to our staff and explore your next step with us!
