"FOCUSED" part 1: With My Body
Pastor Terry Bate

How can we view the dietary laws from the Old Testament
in our modern world today?

**God promises no one continuously _____
_____ in this life.**

How should our lifestyle reflect God's design of our physical body?

**When you are not physically _____
it is hard to be _____.**

REFLECTION & APPLICATION:

Do your dietary habits need to shift in order to become more healthy?

Does your physical activity need to change in order to honor God with your body?

Welcome to January 7, 2024

Most of us do not struggle with desire - we struggle with focus!! So, as we launch into 2024, we want to offer some Biblical guidance to focus our goals with deeper meaning and purpose. We will consider the physical and spiritual parts of our life, as well as, the legacy we are leaving behind.

We desire to experience the
Transforming Love of God
and share it with others!
