"I AM: Exploring the Names of God" part 1: God with a Personal Name

Pastor Terry Bate, Lead Pastor

How many names do **you** have? Do you have a favorite?

How is God introduced in Genesis?

How does Moses' experience with God sharpen all of Israel's perspective of who He is?

The divine name _____ demonstrates his independence, all-_____ and the only _____ of life!

How did Jesus leverage the divine name according to John's Gospel?

In a culture that valued the _____ of a name, the LORD could not be limited to just _____!

REFLECTION & APPLICATION:

Do you have a special name for someone that reflects what they mean to you? How can calling God by his divine names strengthen your relationship with him?

You can re-watch our service throughout this week by visiting our website and click "watch online." You can also subscribe to our YouTube page: search for "Flushing Community Church."

Welcome to June 16, 2024

In our English translations of the Bible, we often can miss some deeper meaning found in the original language. One example is the way in which the LORD revealed his divine name. Thankfully, those original texts are not lost and we can still discover some incredible insight by considering the many names of God.

We desire to experience the *Transforming Love of God* and share it with others!
