I understand that this registration form along with my deposit of at least \$50 must be turned in to secure my spot at the Spring Hill Winter Retreat (Jan. 29-31). I understand this trip is being organized by the Flushing Community Church and that my full balance is due by January 8, 2016. My son/daughter will be attending this trip on their own freewill and we will not hold the church (FCC), it's employees, nor any volunteering adults liable for any injury that may take place while on this trip. I also recognize that I will be asked to fill out an online registration with Spring Hill Camps within 3 weeks of our retreat. That online registration will include medical and insurance information that is important for our trip. At least 1 parent signature is required below.
